"Can Meath County Council please provide an update on the progress so far on the taking in charge of Milbrook Estate, Johnstown, Navan?"

6 Notice of Motion

6.1 Submitted by Councillor Edward Fennessy

"To help alleviate some of the traffic congestion in the future at the Johnstown school campus, we propose leaving the back entrances from the L5050 road at the rear of the school open for Bus access, especially with the future opening of St Mary's special school. The buses for St Mary's require quick and easy access for their students, with many travelling long distances and with complex needs. Currently the back entrances are open for construction traffic coming from the Kentstown Road only. Buses could be required to come from the Kentstown Road side, preventing excess traffic through Johnstown Village."

6.2 Submitted by Councillor Edward Fennessy

"Noting the number of towns and villages across the state who have facilitated the creation of murals in their area, and the aesthetic benefits thereof, I ask the Executive to engage in a process that will deliver a similar initiative at strategic locations in Navan."
