Before going to the library

I am going to Navan
library

There will be lots of
books in the library.

I might find
something I like to
read.

If I am nervous about
visiting the library I
can talk to someone
first and ask questions

About the library

There are people who work at the library that I can talk to and ask questions.

Here are some of the people who work at Navan Library.

When I arrive, I can ask the librarian for a tour of the library.

The library is usually a quiet place where people talk quietly, relax and read books. When I go to the library I will try to use my whisper voice.

Sometimes it might be noisy. The library can be noisy when there is an event on or when we have class visits.

In the library there
will be shelves of
books, CDs and DVDs

I can sit in a chair to
read a book. I can
borrow a book, CD or
DVD and take it home
with me

If I want to borrow a book I will talk to a member of the library staff

The staff will show me how to use the self-service kiosk so I can borrow the book, CD or DVD. I can print a receipt to tell me when I need to bring it back to the library.

The library will also have some computers
The computers are free to use. I will log on with my library card.

If I need a quiet space to use when I am at the library, I can use the Meeting Room at the front of the building. Sometimes on a Saturday, the Meeting room will look like this.

When I have finished I
will leave the library

The End
