In relation to the new link road, from L5050 to Dunville Estate, due to open soon, has Meath County Council plans in place to install a pedestrian footpath and cycle lane leading to Old Johnstown Village

7 Notice of Motion

7.1 Submitted by Councillor Edward Fennessy

As a landlord with responsibility for the maintenance of 1,400 local authority houses in Navan, I ask the Executive of Navan Municipal District Council to ring-fence funding to cover plumbing costs this winter, particularly during the Christmas period. The fund would only be used if the Council's own plumbing services have been overwhelmed. The

fund would allow a tenant hire the services of a plumbing contractor to repair heating systems.

7.2 Submitted by Councillor Edward Fennesy

I call on Meath County Council to engage with the OPW with a view to giving public access to the Athlumney Castle Site

7.3 Submitted by Councillor Francis Deane

A sizeable number of students from St Patrick's Classical School walk to the Apple-green campus during the school lunch break and, for health and safety reasons, I propose that Meath County Council would install a pedestrian link/crossing at Bohermeen Road L7418

7.4 Submitted by Councillor Francis Deane

I call on Meath County Council to erect 'stop and go' signage and reflectors at Scoil Naomh Eoin, Clonmagadden, on the side entrance to Tailteann Housing Estate.
