AN. Bord. Pleanala,

REF ABP - 307652 - 20.

To Whom it may Concern

in Sept 2020 I submitted my observations in relation to above mentioned development I have fundamental concerns about the proposed route which will run thru - my front garden taking away quite a good chunk - if it away it will also

devalue my blocks
 every hard for not to mention the extra people going up and down right under windows also making it harder getting in and out from our home greenways. are lovely but put in the right places not in peoples gardens. Enclosing photo's of front on map I received 2.5m is marked to take that from photo's. We are in our late 70s so we could do without this asset, I hope you see our point
