Meath. Planning Reference (PT8MH211)
- 4.1.2** To receive a Progress Report on works undertaken/planned for Navan Municipal District.

4.2 Corporate Affairs & Governance

- 4.2.1** To note the Municipal District Allocations submitted by Councillors on behalf of Navan Municipal District

5.0 Notice of Questions

5.1 Submitted by Councillor Francis Deane

"In the Navan MD, how many CIS and LIS road schemes have been approved in the last five years?"

5.2 Submitted by Councillor Yemi Adenuga

"What is the update on the status of the planned works at the Circle K junction on the Proudstown Road (Aisling Place x R162), which underwent a five-week public consultation in 2023? Specifically, what funding constraints have led to the postponement of the scheme, is there a timeline for when funding may become available and what interim safety measures are being considered for this dangerous junction, given the continued reports of red light breaking, illegal exits from the Circle K garage, and the serious risk to schoolchildren attending St. Oliver Plunkett and St. Paul's Primary Schools?"

Clár / Agenda

6.0 Notice of Motions

6.1 Submitted by Councillor Emer Tóibín

"I call on Meath County Council to support the launch of a public awareness campaign to promote greater use of our existing cycle lane infrastructure. The aim is to encourage active travel, highlight the environmental and health benefits of cycling, and crucially, to break the perceived link between cycle lanes and increased traffic congestion or loss of car parking spaces."

6.2 Submitted by Councillor Francis Deane

"I propose that Meath County Council would extend the footpath from Glenveigh Estate to Boyne View and the Rowley's Lock development, on the right-hand side heading from Navan. This proposed infrastructure was included in the planning conditions with regard to grant given to Rowley's Lock development."

6.3 Submitted by Councillor Francis Deane

"I call on Meath County Council to write to Iarnród Éireann requesting them to remove the overgrown hedgerow and trees which are putting huge pressure on the boundary fence at the railway line in Glenveigh Estate on the Boyne Road, Navan."

6.4 Submitted by Councillor John Duffy

"I call on Meath County Council to address the traffic movements through the junction on Commons Road at the traffic lights (Dan-Shaw Road/Clogherboy) by way of slips roads or other such measures. This is now necessary because of increased volumes of traffic and the anticipated additional traffic once the new bridge over the Blackwater becomes operational."

6.5 Submitted by Councillor Yemi Adenuga

"I call on Meath County Council to include an update on the proposed Dunville Development on the September Navan MD meeting."
