COMMUNITY CLIMATE ACTION PROGRAMME FUND PHASE 2

LAUNCHING SEPTEMBER 2025

Working together to create a climate resilient, biodiverse rich, environmentally sustainable and climate neutral economy that supports healthy lifestyles and jobs growth.

Leading – Enabling – Inspiring

comhairle chontae na mí
meath county council

What is the Climate Action Programme Fund?

The fund is an initiative of the Department of Climate, Energy and the Environment to provide support to community groups interested in undertaking projects which help to build low carbon, sustainable communities to contribute to national climate and energy targets. €811,000 has been allocated to Meath and will be administered locally by Meath County Council.

Who can apply for funding?

Eligible Community Organisations:

- Located within the administrative area of Meath;
- Not for profit;
- Registered with PPN, Wheel, Tidy Towns, community group with Articles of Association or Constitution.

What project scale and value are available?

- **Small** scale project under €20,000
- **Medium** scale project €20,001 – €50,000
- **Large** scale projects €50,001 – €100,000

Successful applicants will receive 100% funding.

How Do I apply

Interested community groups should attend an in-person/ online event hosted by Meath County Council to learn more about the fund.

Communities should contact the Community Climate Action Officer with their project ideas. **046 909 7000**

Communities can submit the Expression of Interest Form via climateactionmcc@meathcoco.ie

Programme Fund Themes

Communities are encouraged to take local actions under the following themes:

- ▶ **Community Energy** – helping to improve the energy efficiency of community buildings and small-scale renewable energy projects
- ▶ **Travel** – Solutions which encourage less car journeys in favour of more sustainable modes of transport.
- ▶ **Food and Waste** – Supports community food growing initiatives and the reduction of waste.
- ▶ **Shopping and Recycling** – Initiatives which support the circular economy
- ▶ **Local Climate and Environmental Action** – Initiatives which supports nature whilst building climate resilience.
