Re: Draft Variation no. 1 to the Trim Town Development Plan, 2014 - 2020

Dear Sir/Madam,

TII acknowledges and welcomes receipt of public notice concerning proposed Draft Variation no. 1 to the Trim Town Development Plan, 2014 – 2020. Having reviewed the Draft Variation, the Authority has no specific observations to make on the proposed changes.

However, having regard to the provisions of Policy Tran Pol 6 and Objective Tran Obj 8 in relation to providing for the Leinster Orbital Route (LOR) in the Draft Plan, TII confirms that the observations made by the Authority on the initial Town Development Plan of 12 February, 2014, remain the position of the Authority. Please find attached a copy of TII's previous submission.

It is requested that the foregoing comments and observations are taken into consideration in the adoption of Draft Variation no. 1 to the Trim Development Plan, 2014 – 2020.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Michael McCormack".

Re: Proposed Amendments to the Draft Trim Development Plan, 2014 – 2020

Dear Sir/Madam,

The Authority welcomes consultation on the proposed amendments to the Draft Trim Development Plan, 2014 – 2020, and submits the following observations for the Councils consideration;

The Authority's observations of 4 January, 2013, in relation to pre-draft consultation on the Trim Development Plan, 2014 – 2020, refers.

The Authority welcomes Policy Tran Pol 6 and Objective Tran Obj 8 in relation to providing for the Leinster Orbital Route (LOR) in the Draft Plan.

In relation to specific proposed amendments on display, the Authority has no comment.

However, the Authority recommends that the Council review zoning designations outlined in the Draft Plan to ensure zoning proposals in the Development Plan do not compromise route options for the LOR and to give effect to Policy Tran Pol 6 and Objective Tran Obj 8 of the Draft Plan and Section 2.9 of the DoECLG Spatial Planning and National Roads Guidelines.

It is requested that the foregoing comments and observations are taken into consideration prior to adoption of the Trim Development Plan, 2014 – 2020.

Yours sincerely,

Michael McCormack
Policy Advisor (Planning)
